AL SMITH IS BOOMED FOR PRESIDENT BY ORATORS TODAY

WOMAN LEADS IN THE THIRD SESSION

Chairman T. J. Walsh Turns Over Gavel to Miss May Kennedy of Bronx, First Vice Chairman of the National Convention

TALK "WOMAN'S KEYNOTE"

McAdoo's Name Is the Signal For the Californians to Become Bilitious—They Scream. The Band Played. And Parade of Standards

New York, June 26—Under the guiding hand of a woman for the first time in the history of the great party, the Democratic National convention entered its third session today, Al Smith for President session.

Chairman Walsh, after calling the convention to order at 11:25 o'clock, introduced William W. Potter of New York, member of the board of lecturers to deliver the invocation. He then turned over the gavel to Miss May Kennedy, of Bronx, elected yesterday as first vice chairman of the National convention. Standing coolly behind the microphone in front of the speaker's rostrum, Miss Kennedy made a short address, "A Woman's Keynote."

A tall figure, all in white, save for the tulle hair peeping from under a small turban, she faced the greatest crowd that has attended any session to date.

A daring piece of Democratic convention strategy was pulled by the McAdoo force immediately after the convention convened when they set out to deliberately steal Al Smith's stuff.

When order was called, Governor Sweet took the platform and sprang a complete surprise by seconding the nomination of McAdoo. Colorado has been expected to go to Massachusetts, Connecticut yield and New York to have its big show with the nomination and demonstration for Al Smith.

With the mention of McAdoo's name by Sweet, the Californians' supporters were off with a rush. They screamed, yelled, the band played, and parade of standards with California, Oregon, Idaho, Washington, Florida and South Carolina, leading the demonstration was soon underway.

"Connecticut yields to the great state of New York," the chairman shouted.

A terrific din spread throughout the Garden, from end to end, gal-

Cherries Said To Have Caused Death Forward Township Girl

Anna Gekal, 12 years old, of Forward township, near Monongahela, died Tuesday night in the McKeesport hospital as the result of eating cherries.

According to the report made to the office of the coroner, the girl ate a large number of ripe cherries, and when she retired, became seriously ill. A physician was called and the child was removed to the hospital, where she died.

Roosevelt in his speech reached a point in which he said, "I hope that when you reach the balloting tomorrow you will remember the words of Abraham Lincoln and act in accordance, 'with malice towards none and with charity towards all' There was another loud but brief explosion of applause.

LIVING WITH AN OLD COUPLE

Eugene Lauvaux of Crest avenue, who was located by E. J. Charles, the real estate dealer, on a farm near Point Marion, Pa., is living with an old couple, according to Mr. Charles, happy and contented.

At the time of the mysterious disappearance of Mr. Lauvaux, it was thought that due to the fact that he was going to Belgium, that he had met with foul play; and considerable anxiety was felt for his probable fate. He had entrusted to Mr. Charles the details of the selling of his property, and did not know that it was necessary for him to sign the deed. Having an opportunity to accompany another man where he could earn a little money, and nothing loath, Mr. Lauvaux first went to New Kensington, in Westmoreland county, and later left there for the farm on which he is now located near Point Marion.

The deal for the transfer of the property, which has been hanging fire owing to the necessity of the signing of Mr. Lauvaux's name to the proper document, will now be fully closed. The man's disappearance dated from March 22, 1924; and he has been in this country 35 years, or since 1889.

Swindles Firms Mellon And Sixsmith Are To Take Stand

Accused of fleeing about \$20,000 in a fake "moving picture business" advertising scheme and obtaining close to \$50,000 from business men in nine other cities and towns in Western Pennsylvania and West Virginia, Harrison Grumley, aged 29, of Evanston, Ill., was placed under arrest in Pittsburgh.

Grumley's scheme consisted of flashing on all the screens of moving picture theatres advertisements at a rate of \$50 for each showing. He collected \$25 in advance. He did a thriving business in Homestead, obtaining the "down" payment from the owners of the theatres. It is alleged that Grumley operated in New Kensington, Uniontown, Greensburg, Elkton, Fairmont, Morgantown and Grafton, West Virginia, and the Homestead Messenger also includes Charleroi among the number; however, we have no verification of this.

COUNTY SUES B. PUSKAVICH

The county of Washington has filed a suit against Benny Puskavich, in which \$1,000 is claimed.

This is alleged due on a forfeited recognizance, he having gone on the bond of Paul Smith, who was charged with non-support. Smith failed to appear when his case was called and his bond was forfeited.

SEVENTEEN YEAR OLD BOY DROWNED IN THE RIVER AT 2:05 THIS AFTERNOON

The Monongahela river claimed another victim this afternoon at 2:05 o'clock, when Ted Laboyka, 17 years of age, son of Mr. and Mrs. Steven Laboyka, of 646 Bradnock avenue, Monessen, while swimming in the river directly across from the Charleroi Plate Glass company, got beyond his depth and drowned before assistance could reach him. The boy had gone in the river with a number of companions, and was enjoying the pleasure of the sport, when he ventured too far out and becoming exhausted disappeared beneath the surface. His companions saw him go under, and rushed to his assistance, but it was his dead body that was rescued from the waters. Dr. Gordon of Belle Vernon was called, but all efforts to resuscitate proved futile as life was extinct.

First Big Out-Door Scouting Championship For the Monongahela Valley Council, B. S. A., Being Held Today. At Donora

LOCAL BOYS ARE ENTERED

Program Arranged Which Covers Every Phase of Scouting—Winning Troop to Receive Large Trophy Now In Possession of Troop No. 1, Monessen

The first big outdoor Scouting Championship for the Monongahela Valley Council, B. S. A., is being held today, at the Americo Park in Donora, beginning promptly at 2 o'clock, standard time. This meet has been eagerly looked forward to by those troops that have been selected to represent their own local districts, and the boys have been practicing steadily in order to establish a new Council record. An elimination contest was held in Charleroi. Monessen and Monongahela, to determine the two troops that would represent these towns in this final meet. Those troops selected are: Monessen: Troop No. 1, the American Legion troop under Scoutmaster Haney and Troop No. 2, Methodist troop, under Scoutmaster Blackburn. Charleroi: Troop No. 1, the Community Troop, under Scoutmaster Lawrence Frye; and Troop No. 2, the newly organized American Legion Troop, under Scoutmaster Fielding. Monongahela City: Troop No. 2, under Scoutmaster McIsaac, and Troop No. 5, under Acting Scoutmaster Holgar Henius. A three color contest will probably take place, with either Troop No. 1 of Monessen, Troop No. 1 of Charleroi or No. 2 of Monongahela winning the meet, since these three troops are particularly strong in Scouting events.

A program has been arranged which will cover every phase of Scouting, and includes the following events: Pup tent pitching, first aid, fire by friction, signaling, water boiling, wall scaling, signal tower, tug-of-war. The winning troop will receive the large trophy shield which is now in the possession of Troop No. 1 of Monessen, in event of their having won the indoor meet, held some time ago.

The boys winning the highest number of individual points, in first, second, and third places, will be given special medals, while for such team events as Signaling and First Aid, special prizes will again be awarded.

The judges for this meet have been very carefully selected, and will include a number of Scout Executives from nearby councils. The head judge will be Scout Executive Andy Benson from Pittsburgh, and his aides will be Rev. A. Johnson, Clarence Keffer, Dr. D. A. Rupert, Dr. Linn, Dr. Mc Kay, Arthur Kohnfelder, H. E. Gross and H. Dorr.

Joint Meeting Of Courts To Be Held Here

At the regular monthly social meeting of the Catholic Daughters of America, held Tuesday evening in the Lyceum of St. Jerome's Catholic church, final plans were laid for the joint meeting of the Charleroi, Monessen and Donora Courts, which will be held Sunday afternoon at 3 o'clock in the Lyceum, at which time Miss Frances Maher, State Regent and National Vice Regent, will address the assemblage, and Miss Elizabeth McGuffigan of McKeesport, and Miss Elizabeth King of Pittsburgh, district deputies, will also be present, and give short talks.

A large attendance is expected and at the close of the session, refreshments will be served by the local members.

On Tuesday evening euchre and 500 were the main diversions. Mrs. Rose Lee and Miss Mabel Hopkins receiving the favors. Mrs. Lee was chairman of the lunch committee, and in conclusion the luncheon was enjoyed.

THE MON CITY ELKS OPEN NEW HOME

Monongahela Elks formally opened their new home at the corner Fifth and Main streets Tuesday evening with a reception and dance, complimentary to the cast of the 1924 minstrelsy which was recently given in the city.

About 40 couples were present. Music was furnished by the Nicella.

An attractive feature of the evening was the selection of Miss Miriam Jones from the group of girls who took part in the show, as the most beautiful girl present, who will represent the city as Miss Monongahela at the Elks' beauty pageant in connection with the Elks' picnic for Southwestern Pennsylvania lodges, which will be held at Kennywood park Wednesday, August 6.

At this gathering of Elks, where was a competent test held with 21 lodges in the district taking part. From these one girl will be selected to be known as "Miss Pittsburgh" who will represent that city at the International Beauty Contest at Atlantic City in September. Miss Jones is the attractive daughter of Mr. and Mrs. Jones and at present is engaged as stenographer at the Robinson Real estate agency office. The judges who selected Miss Jones from a group of 75 Monongahela girls were Renzo Rutili, of the art department of Joseph Horne company; Duff Duff, photographer of Donora, and Renzo Rutili, of the Carnegie Tech school. Serving refreshments through the evening to a happy close.

PITTSBURGH PITCHER

WINS OWN GAME IN FOURTEENTH INNING

Not since old King Tut was an un-
chained and the immortal Casey was just
learning how to hold a bat, has such a
series of thrills been staged on Al-
legheny county soil, as that which re-
sulted yesterday in a hilarious four-
teenth inning spasm of Buccarelli
glory when Emil Yde tore loose with
a terrific triple that won his own
game by a score of 8 to 7 when only
one was out.

Yde's teammates aided him val-
iantly and pulled some dazzling
plays, but the conquest belongs to
the young pitcher. With a
pitched air-tight ball after he had
been selected for rescue into the hero
class. He performed two difficult and
spectacular feats. In the ninth inning

with two gone he blazed away with a
life-saving double when the bases
were jammed and this wallop tied up
the score just when defeat was
scowling menacingly at the Corsairs.
Again in the fourteenth after the
Cubs had at last been lucky enough
to drive in the point which broke the
long-drawn deadlock and apparently
had the bacon on the hook, this hard-
hitting descendent of the Danes rose
up in his might and delivered the
timely swat that humiliated the
Bruins and conquered the greatest
pitcher of his time—Grover Cleve-
land. The young pitcher's name is
Emil Yde. He is a native of the
state of New York and is a member
of the famous New York Yankees.
He is a right-handed pitcher and is
about 35 years of age. He has been
in the major leagues for about 10
years and has won about 100 games.
He is a very popular player and is
well known to the fans of the New
York Yankees.

Charleroi Loses To West Newton--High's Pitching Features

Charleroi lost to West Newton last
night, mainly through the superb
pitching of High. Charleroi outfield-
ed the West Newton club, but lost
the game through inability to hit High.
Charles Davis got a two-base hit,
Lou Phillips a single, and "Bill"
Phillips came through with a brace
of bingles, but that was the extent
of it insofar as Charleroi was con-
cerned. Beatty pitched well, but
Taylor's home-run and bunting of
hits in the fourth and fifth innings
secured for West Newton the game.
The trouble with the Charleroi
club is that they are not hitting, while
fielding well. The score:

Some Arizona Flowers

Arizona deserts have their own flow-
ers. In places the supply is abundant,
the growth large, the flowers when in
bloom of marked beauty, the big yue-
ca and the sotol, both members of
the lily family, showing beautiful
bloom on tall and stately stalks.

One of the interesting desert
growth is the water cactus, so named
because of its great stalk, from 5 to 10
feet high and as large in circumfer-
ence as a barrel. It has a heavy pulpy
covering from which it is possible to
squeeze goodly amounts of water. In-
dians and travelers are quick to turn
to the cactus when water supplies are
short.—Columbus Dispatch.

PUBLIC PLAYGROUNDS.

As will be noted in the Mail of yesterday, the city of Monongahela has provided for playgrounds, well equipped with the necessary apparatus, inclusive of swimming pools; all of which causes us to wonder just when Charleroi is to enjoy playgrounds for the children.

Last year there was a movement on hand which seemed reasonably certain to bear fruition. An option was secured on grounds advantageously situated—equity that had the approval of the state engineer and a number of the leading men of the borough, and just why the deal for the same was not consummated and ere this the necessary steps taken to equip the grounds similarly to those at Monongahela, is not clear.

That playgrounds are needed for the children cannot be successfully gainsayed. During the vacation season the youngsters run wild, and very oft their parents do not know where they are. Last year there were no less than four drowning accidents, all of which it can be assumed might have been precluded with playgrounds and safe-guarded swimming pools. This year, thus far, the community has escaped drowning accidents, but the season is not even half over, and none can tell when a home will be deprived of a loved one—river's victim.

To safeguard the health of the child, and at the same time to furnish it amusement, seems to be a duty of the citizen from which none can escape, and no reasonable excuse can be offered for procrastination. Procrastination is the thief of time; it is for civic leaders to assume the initiative now and perform their bounden duty by giving the children playgrounds.

What the World Is Doing

(As Seen by Popular Mechanics Magazine)

Dummy of Baseball Catcher Aids Indoor Practice

With the aid of a small indoor cage, containing a target placed back of lines to represent the home plate and the batter's position, baseball pitching practice may be obtained regardless of the weather.

The target is made of heavy canvas and is attached by metal eyelets to a portable frame, six feet high and four feet wide. The life-size figure of a catcher is painted on the canvas and a scoring chart below gives rating for balls and strikes in training. The "strike area" is plainly indicated on the figure of the catcher in heavy red lines. As the ball hits the canvas it rebounds and on a spring return it falls back to the pitcher for another delivery. The target is also an aid in batting practice and for coaching individual pitchers or squads. It is made in two sizes, one for girls or boys in elementary schools and the other for students in colleges.

"Trick" Furniture Saves Rent and Space in Apartments

With the constantly increasing demand for economy of space because of the high rentals demanded for city apartments, the building of what is known as "trick" furniture has developed into an industry, and its design has challenged the ingenuity of inventors in all parts of the country. Beds that fit in doors, kitchenettes hidden in tables, ironers folded out of sight in attractive cabinets, radio outfits concealed in tea wagons, and many

other useful devices have been constructed to save space with a consequent lowering of rents. Furnaces that are as decorative in appearance as a phonograph, and electric stoves that automatically shut off the current when the food is done, help to lighten the burdens of the modern housekeeper. As a result, three rooms may be made to meet the requirements which previously needed six.

New York Plans Great Broadcasting Station

Fifty thousand dollars have been appropriated for the erection of a great municipal broadcasting station in New York, and soon people all over the country will be able to hear the music the metropolis enjoys, and to listen to the great speakers and artists that visit the country's largest city. According to Commissioner Whalen, this means that at least 300,000 persons in the city can enjoy the band concerts in the park this summer, instead of only a few thousands around the bandstands, and that a million radio fans throughout the country can hear the famous bands and artists that delight New Yorkers.

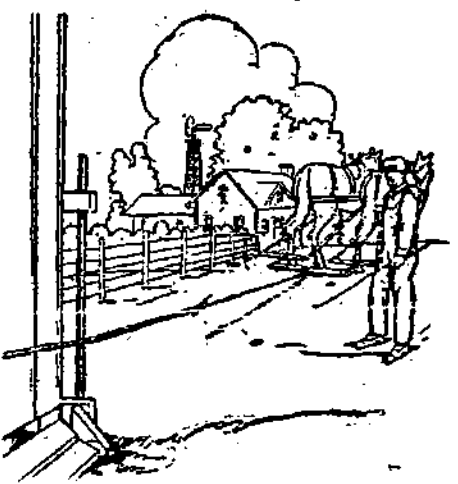

Good Use for Old Carpet Sweeper

When a carpet sweeper no longer sweeps it is usually thrown away. Upon examination, it will be found, however, that quite some bristle is still left on the roller, which may be used a few more years as a push brush of the kind shown in the drawing. The brush and the wooden handle are removed from the sweeper box and also the metal brace that holds the handle. The shaft of the brush has a bearing hole at each end which usually fits the two pivots on the brace. It may be necessary to bend the brace together a little in order to hold the brush securely. At the end of

the brace are two small holes that were previously used to hold spring wires. Small wire nails are driven through these holes into the wooden part of the brush so that it cannot turn when in use. After one side of the brush has been worn down, the nails are simply removed, the brush turned around and again fastened as before.

Roller Protects Barn Corner

Farm buildings sometimes are so arranged that when hay is hoisted into the barn the team must be driven around a corner of one building in order to avoid another. This causes the rope to rub hard

against the corner, not only wearing it out quickly but also bruising the corner.

In one case injury to both corner and rope was prevented by arranging a steel roller vertically along the edge of the building as shown. The roller consisted of a 4-ft. length of 2-in. iron pipe, turning on bolts fitted into the ends. The bolts were in turn held by short pieces of 2 by 4-in. wood, nailed securely to the barn. The roller has been in use for two or three years and has never failed in its purpose.

Putty for Floor Cracks

Cracks in a floor that is stained and varnished may be filled with a putty consisting of 2 parts of glue, 14 parts of water, 4 parts of plaster of paris, and 2 parts of litharge. This putty will take the stain and varnish well.

No remedy can cure all ailments of the human body, but an immense number of people suffer from aches, pains and diseases when their real trouble is lack of iron in the blood. It is the iron in your blood that enables you to get the nourishment out of your food. Without iron your food merely passes through you without doing you any good; you don't get the strength out of it. There is one universally known tonic that has helped thousands because it contains iron like the iron in fresh vegetables and like the iron in your blood.

NUXATED IRON

is an eminent physician's best blood prescription, standardized. It is recommended for anemic and run-down conditions. It has helped thousands of others. It should help you. Ask for it at any drug store.

Black Hole of Calcutta

The "Black Hole of Calcutta" was an apartment in which 136 English prisoners, captured by the Nawab siraj-ud-daula, were confined over night of June 20, 1756. This apartment was 15 feet by 14 feet and 10 inches. It had only two small windows, obstructed by a veranda. The crush was dreadful, and after a night of terrible suffering from pressure, heat, thirst and want of air, there were left alive in the morning only 23 survivors.

No More
Hair On Face

Here's a reasonably sure way to remove instantly unsightly, embarrassing hair from the face, arms or legs—roots and all! No muss, no odor, not the slightest injury to skin, no growing back of hair stronger and heavier than ever. Quick, soothing, guaranteed absolutely harmless!

This marvelous new discovery, called Karma, is a combination of rare Oriental balsams. When applied, it opens the hair pores, penetrates towards the hair roots, loosens every hair, and gently eases it out, leaving the skin clear, white healthy and soft as velvet.

Karma is based upon proved scientific principles, and is highly recommended by beauty specialists. It is sold on an absolute guarantee of satisfaction by Wagner's Drug Store.

NERVOUS, RUN-DOWN MOTHERS

Worn Out Caring for Children and Housework—See how Lydia E. Pinkham's Vegetable Compound Helps

Indianapolis, Indiana.—"I was in a very nervous and run-down condition while nursing my baby, and hearing some talk of Lydia E. Pinkham's Vegetable Compound, I began taking it. From the second bottle I noticed a big improvement, and I am still taking it. I am not a bit nervous now, and feel like a different person. It is a great medicine for any one in a nervous, run-down condition and I would be glad to give any one advice about taking it. I think there is no better medicine and give it to my friends."

—Mrs. ANNA SMITH, 511 W. Norwood Street, Indianapolis, Indiana.

The important thing about Lydia E. Pinkham's Vegetable Compound is that it does help women suffering from the ailments common to their sex.

If you are nervous and run-down and have pains in your lower parts and in your back, remember that the Vegetable Compound has relieved other women having the same symptoms. For sale by druggists everywhere.

FIVE TONS OF
COFFEE FOR
360,000 CUPS

New York, June 26—Five tons of coffee, enough to make 360,000 cups, are being drunk by the delegates, alternates, and visitors attending the Democratic National Convention here this week. Whether the tremendous stock of the beverage will be exhausted by the thousands who flock to Madison Square Garden depends largely upon the duration of the convention.

The concessionaires have laid in their edibles on the basis of a deadlock in choosing the presidential candidate that will hold the delegates in this city for two weeks. On that mode of reasoning, they have laid in fifty barrels of lobsters and enough "hot dogs" to supply 32,000 every day. Coffee, "hot dogs" and sea food are chiefly in demand at the numerous counters which have been placed in convenient places in the Garden.

According to the holders of the eating concessions, the middle western delegates are calling largely for seafood—lobsters and clams—while the unanimous choice of all for a beverage seems to be coffee, with ice coffee, because of the weather proving exceedingly popular.

In Society's Realm

The employees of the First National Bank at 3:30 this afternoon motored to the Miller farm, two miles west of Washington, Pa., where they were the guests of Mrs. J. B. Miller at her Oak Grove home. Mrs. Miller is the mother of Mrs. Rush, wife of R. H. Rush, Cashier of the First National Bank. Caterer Mosebay of Washington, Pa. will serve a dinner at six o'clock on the lawn surrounding the home.

The Crozier club of St. Mary's Episcopal church, the Do-Drop-In club of Brownsville, and the Young People's club of Monongahela affiliated with the Young People's League of the Valley, are invited to be present at the church rooms of the Trinity Episcopal church, Monessen, Friday evening June 27, and be entertained by the members of the Young Peoples' Episcopal Association of that place. These joint meetings of the four clubs are always the greatest events of the social year, and a large representation is expected from each town especially Charleroi. Those who are expecting to attend will leave Charleroi on the 7:30 car for that city and go to the church room at Seventh street and Schoonmaker avenue. An evening of enjoyment is being anticipated, and refreshments will be served by the Monessen hostesses.

Announcement has been made of a beautiful June wedding, the first to be consummated in the new Zion Lutheran church of Indiana, Pa., which occurred Wednesday, June 18, when Miss Margaret Swan, daughter of Mrs. Charlotte Swan of North Charleroi, formerly of Indiana, became the bride of Harry C. McCreary, son of Harry McCreary of South Ninth street. The ceremony was performed by the Rev. Dr. Sieger of Lancaster, an uncle of Mr. McCreary, assisted by the Rev. Joseph D. Baker, D. D., minister of Zion Lutheran church. The bridal pair stood under an improvised arch formed of rhododendron and mock-orange blossoms. Tall standards of pink and white peonies banked the chancel and palms and baskets of iris added to the effectiveness of the scene. Edward Swan of Altoona gave his sister in marriage the bride wore a beautiful creation of satin, trimmed in lace and carried an arm bouquet of bride's roses and orchids, showered with valley lilies. She was attended as maid of honor by her sister, Miss Nora Swan, who wore pink georgette and carried pink roses. The bridesmaids were Miss Katherine Highlands and Miss Helen Shumaker both of Indiana, who appeared in orchid and yellow georgette, respectively, while their flowers were orchid and yellow snapdragons. Ralph McCreary, was his brother's best man, while Donald Lockard of Indiana served as ushers, completed the party. Immediately following the ceremony automobiles conveyed the bridal couple and their some fifty guests to the Country club, where a reception and dinner followed. Later in the evening Mr. McCreary and his bride departed by motor, for an extended western trip, with California as their objective. They will be at home in Indiana after September first.

MADE TO GET

OUT THE VOTE

A "Get-out-the vote" Caravan, made up of automobiles representing so far as possible every civic and political organization, men's and women's, in the Commonwealth, will tour the state from end to end in the month of October, just preceding the Presidential election, according to an announcement made by Mrs. John O. Miller, chairman of the Pennsylvania League of Women Voters.

The tour of the Caravan, to be conducted by the Pennsylvania League, will be in support of the nation-wide campaign inaugurated by the National League of Women Voters to increase by 25 per cent the number of voters in the coming Presidential election over the number who took part in the 1920 contest. Prominent speakers, representing both parties, and the varied progressive business and civic interests of the state will deliver addresses all along the route. Other special features will be used to direct attention to the importance of the individual vote.

Tentative plans, according to the state chairman, Mrs. Miller, call for the starting of the Caravan at a great public meeting in Independence Square, Philadelphia, on October 1. Pittsburgh will be reached on October 18. Other big meetings in the tour will be held at Reading on October 2, and Harrisburg on October 4. Upwards of sixty five meetings will be held along the route of the Caravan.

WORKMAN DIES

FROM HIS HURTS

George Mike, aged 45, residing at 146 Donora avenue, Monongahela, a laborer in the Monessen Sheet and Tin mill, died last night in the Allegheny General hospital, from injuries received Monday while at work in the tin house.

The man was busily engaged about his work Monday when 60 sacks of mudding fell on him. His arm was badly crushed and internal injuries were severe. Despite his injuries he remained conscious and talked with his wife while lying on the cot before being taken to the hospital. However, after reaching that institution, his condition grew steadily worse until his death last night. He is survived by his widow and no children.

RICHEY REUNION IS

BEING HELD TODAY

The eighteenth annual Richey reunion is being held today at Dullais Creek Academy, near Uniontown. Approximately 200 relatives, members of the clan, are expected to be present and enjoy a good time spent in games, races and amusements. Those attending from Charleroi are as follows: Mr. and Mrs. James Dawson, Mr. and Mrs. G. B. Nolan and family, W. R. Richey and family, Mr. and Mrs. C. E. Lancaster and family, Mr. and Mrs. Charles Sangston and family. Members are expected from the states of Pennsylvania, West Virginia, and Ohio.

Nemolastik Self-Reducing
Health-Way Rubber Girdle

This new all-rubber girdle is made from an exclusive rubber fabric, manufactured by the makers of Nemo Corsets. A fabric composed of pure gum-rubber, coated on both sides with a fine grade of Italian Silk, which won't rip, tear or lose its shape; which may be easily washed with pure soap and water; which has no disagreeable odor to offend; and which gives constant massage thereby reducing excess flesh.

The Nemolastik Self-Reducing Girdle not only reduces, but produces a youthful, supple figure without any discomfort. And it continues to fit because it is adjustable to the decreasing size in the figure.

It has a closed back, made in a delightful shade of peach with four garters—in a size range to suit all figures. Priced at

Fire Of Unknown Origin Causes \$10,000 Loss At Axleton

Fire, of unknown origin, created a loss estimated at \$10,000 to a three-story frame house, a tenement dwelling, occupied by Joe Ravish and family, and four other families, all Italian people, at Axleton last night. Those concerned lost a portion of their furniture and some of their personal effects, but the residence was burned to the ground. None was injured.

The fire broke out at 9 o'clock, and during its duration there were a couple of explosions, which caused a hulls and hooch is a matter of conjecture. The Monongahela Fire department responded to the call, but were handicapped by a lack of water supply. They were, however, successful in keeping the blaze confined to the burned structure. The male occupants of the house are miners.

POET'S NAMESAKE JOINS THE MARINES

New Orleans, La., June 26—Two namesakes of America's most gifted poet were borne on the muster rolls of the Marine Corps, when Edgar Allan Poe walked into the recruiting station here today, signed his enlistment papers, and vowed to leave the service "nevermore." Poe who has six years' service to his credit, is eager to join the U. S. Marine guard on President Coolidge's yacht, the Mayflower, commanded by Lieutenant Edgar Allen Poe. The latter is a relative of the famous poet.

Helpless on Land

Due to the remarkable dexterity of the hell-diver in the water, it is usually impossible to approach it to within camera range. Only when the photographer is so very fortunate as to come upon this queer bird on land where it is helpless, may intimate portraiture be successfully indulged in.—Nature Magazine.

Values

Our social order is safe just in so far as we can translate its values into terms of human life. The ultimate values are human values always, the sanctions of property itself are secondary; our last claim to our possessions is that we hold them for the common good.—Basil de Selincourt.

Olla Podrida

Olla podrida is one of the national dishes of Spain. It is a rich stew made of meat, sausages, chicken and peas. Because of the varied character of the mixture, its name is often used to describe any jumble of words or ideas.

Japs Have Odd Belief

According to the Buddhist faith, the marriage tie contracted in this world will carry over to the next. When circumstances prevent a marriage in this world, many Japanese men and women commit suicide in the hope of a happy married life in the world to come.

Faith, Hope, Charity

Faith—The young man who sends flowers to a girl who has broken a date on account of illness. Hope—The man who calls a girl for a date at 8:30 o'clock Saturday evening. Charity—The girl who suggests they go to the movies.—Northwestern Purple Parrot.

Domestic Training Compulsory

Instruction in domestic service in all elementary schools for every girl between the ages of twelve and fourteen is recommended by a special commission appointed by the British government to investigate domestic service conditions in England.

PROPOSED NEW TRAIN SCHEDULE

(Continued from first page)
The later trains be continued to that place. It will also be noticed that the train for Pittsburgh leaving at 9:03 will be changed to 9:46, a change of 43 minutes which will cause some delay to the Pittsburgh-goers, but the train being put in the 9:03 place is a fast train and will reach its destination within 10 minutes of the time that the 9:03 train arrives in Pittsburgh now.

A few months ago a committee of three men, composed of Hon. James T. Heffernan, Thomas P. Tweed and W. H. Miliken interviewed the officials at Pittsburgh relative to securing some changes on the up-river trains. A new schedule went into effect April 27 and these changes were made along with additional ones to the satisfactory

schedule that will be even more satisfactory, the company has prepared the above new schedule and after its sanction by the Charleroi representatives yesterday will go into effect within two weeks. Whether or not the change of the Crucible train can be changed.

A Bad Case

Major Pelham St. George Bissell told a new-rich story at a dinner of the Society of Colonial Wars in New York.

"A new-rich," he said, "went to a manicure's, spread his terrible paws out on her table and asked, 'Can you do anything with these here, lady?'"

"The young girl turned the new-rich's hands this way and that disdainfully with an orange-stick, and then she said:

"Yes, I think I can, but first you must go to a doctor and get these cracks stetched up. Surgery isn't in my line."

Timely Warning

"He dances beautifully," signed the Impressionable girl.

"Take my advice," answered Miss Cayenne, "and don't deprive society of his accomplishment. It would be a shame for him to get married and have to stay home nights."

Notice is hereby given that application has been made to The Public Service Commission of the Commonwealth of Pennsylvania, under the provisions of the Public Service Company Law, by The Bell Telephone Company of Pennsylvania for a Certificate of Public Convenience evidencing the Commission's request approval of an agreement dated April 24, 1924, with the Borough of North Charleroi, Washington County, Pennsylvania, covering an ordinance enacted by Council of the said Borough on April 21, 1924, and approved by the Burgess on April 24, 1924, authorizing The Bell Telephone Company of Pennsylvania, its successors and assigns, to construct, maintain and operate its underground works on, in, under and through the streets, alleys and highways within the limits of said Borough.

A public hearing upon this application will be held in the Commission Building, 112 Market Street, Harrisburg, on the 5th day of July, 1924, at 9:30 a. m., standard time, when and where all persons in interest may appear and be heard if they so desire.
